

Wallace.

John Taylor. D.S.

N.B. The heirs of Robert Wallace reside in Washington County in this state. Two of his sons were with me about a year ago, they had the warrant then with them, and called upon me to have it executed, they however were advised that the great delay in executing ^{the warrant} would most unquestionably prove fatal to their claim, they returned home and I have heard nothing from them since.

J. Taylor. D.S.
