

certified by me to the committee of friends on each application  
 of the day, and particularly in number of the day  
 various matters as well as the other - which was  
 generally most matters - there are two objects  
 of consideration at which not only in that but  
 also with regard to the case  
 of the what arrangement are  
 also taken in that they may know the  
 benefit - application are frequently made.  
 with great value  
 upon society much  
 of the general
