Andrew Elliot Esq

Sir I am your obedient Servant  
I am happy to hear that your attention to my paper in case  
of my father's death is so well kept up and  
not wanting but we had better all however be content  
and thinking of my uncle Andrew O'Hara which will  
you the objection of my uncle the Board as he was in the long  
your satisfactory reply to the Board and had my father's property  
four years before my father and had my father's property  
in his hands he I came into the country. As so  
have had so much trouble with my siblings I would  
not request of you in having this bill for me as Mr  
Robt Stewart is on his journey to Philadelphia and  
cannot return long as the 11<sup>th</sup> he is gone with Capt  
and Eleaner your very Respectfully  
William O'Hara
