

I certify that on examination I find that Peter Risher has been returned by the United States as entitled to lands as a Soldier in the Company of Capt. Philip Shreaver's Rangers of the Pennsylvania line, that a lot was once drawn for him, but for want of an application was returned again into the Wheel, and that Nathan Beach, Esq. made application for his land on the 11th day of February 1796. as appears from the Memorandum made in the Application Book.
