

Lancaster February 27th 1802

Sir I find that James Moore who was a soldier of the Pennsylvania Line, has been returned for Land, and in the last lottery drew lot a Number 1264 in the 5th District of Donation Land, for which lot a patent has been made in the name of Moore, but not delivered, as a claim had been filed by the late John Nicholson for the same lands the papers relating to this claim are supposed to be in the hands of W. Gibson of Philad: Attorney for the Population Company — Moores papers together with his patent are herewith transmitted —

I am Sir with much respect
Andrew Elliot Esq^r Sec^y of the Land Office
Your friendly
James Trimble

When the Patent issues to Moore \$4 dollars
Surveying fees are to be received for the State

Received by W. L. 1796
Donation Land
James Moor
