

In the Senate

March 16th 1825.

On Motion

Resolved That the Secretary of the Land Office and the Surveyor General be and they are hereby required to furnish to the Senate on or before the first day of January next a list or lists of the names of the officers now commissioned officers and soldiers of the Pennsylvania line so far as they may have entries or records of the same who were entitled to Abolition Lands and also a list of those who have drawn lands and noting whether drawn in the name of the person entitled thereto or by his heirs assigns or agents with any other information which the Books and papers in their respective offices will afford
