NOTE: Tract No. 8 (A—15—263) was surveyed on Oct. 1, 1833 (the Master Survey) which is shown in place. However, when No. 8-A (D—23—61) was surveyed, Samuel Ketterman, County Surveyor, did not stay within the bounds of the original survey of Tract No. 8. It is therefore shown outside, to illustrate this fact, and the error.

A CONNECTED DRAFT: of nine (9) tracts of land, which when surveyed, were situate as follows: five (5) in Bedford Township, Bedford County; two (2) in Napier Township, Bedford County; and two (2) in Harrison Township, Bedford County, on the Buffalo Ridge and Waters of Buffalo Run. The draft has been constructed from and compared with the original drafts on file in the Division of Land Records, Bureau of Archives and History, Historical and Museum Commission, Commonwealth of Pennsylvania, under the direction of Edward D. Price, Chief.

IN TESTIMONY WHEREOF: I have hereunto set my hand and caused the seal of the said Commission to be affixed at Harrisburg, Pennsylvania, this sixteenth day of April A. D., one thousand nine hundred and eighty five.

LARRY E. TISE, Executive Director
Historical and Museum Commission
