

The draught of a tract of land called _____ situate
 in Kishawquillis Valley Cumberland County containing
 one hundred thirty four acres 55 perches with the usual al-
 lowance of Six acres p. ch. for roads survey'd. the 29th day
 of August Anno. Dom. 1766, in pursuance of an Order of
 survey to John Alexander bearing date at Philadelphia, the
 1st day of August Anno Dom: 1766 No. 309
 To John Lukens Esq. S. G. } p. Wm. Maclay D. S.
 of Pennsylvania

N. B. The above survey greatly exceeds the quantity mentioned in the order.
 I can only say that the survey was made long before any one had any
 pretensions to any part of it, and when many others were made
 and returned by myself with considerable excess of quantity. One
 Mr. Davell now claims this Land, or did claim it some time ago, I
 offered to him to reduce the Quantity to that of Alexander's order,
 this he refused to accept of, nor do I think it was regularly in
 my Power. Alexander insists on having a Return, agreeable
 to the Survey made for him, this I have done

 formably to an Act of Assembly approved the 16th day of
 February, 1833, I have hereunto set my Hand and caused
 the Seal of said Department to be affixed at Harrisburg, this

First _____ day of September 1896.
