

Situate on Whippoorwill Run a Branch of Redstone Creek in Menallen township Fayette County and Surveyed the 29<sup>th</sup> day of April 1835 in pursuance of a Warrant for 165 acres of Land, in the names of Isaac Meason & Daniel Rogers in trust & dated the 13<sup>th</sup> of April 1835. There has been about 10 acres cleared, a part of which is now inclosed & cultivated, a small stone house in which a family is residing, and the remains of an old Cabin which was built some 30 years ago. This survey incloses a little too much land, but, as it just takes in the whole vacancy, and the land being very poor and hardly would probably be lost to the State if thrown out. I have ventured to Return the whole, and hope this small excess will not prevent acceptance as the surplus will be paid for.
