

The foregoing is a draft &c. of the courses of Joseph Pennock who claims on a Warrant in the name of John Lyon for 50 acres dated the 15th day of July 1773 This land was once surveyed on a Virginia Certificate being part of a preemption (439 3/4 a) of 1000 acres and so returned but I believe not accepted at the land office it is now (1832) surveyed and returned in sd. Warrant that Pennock may obtain a patent for it with his other adjoining land (66^a 27^e) the land is situated on the head ~~waters~~ waters of Hists run in Union Township Fayette County and is nearly all cleared and has been in a state of cultivation for many years

I believe the return of this land on the Virginia certificate to Thomas in R. of Christopher Hest was not accepted and I was directed to make other returns of the land on the location or Warrant to Lyon this being the oldest right
