Indiana 11th April 1838

Hon John Taylor, Esq
Surveyor General

Sir, Thereby withdraw
the caveat entered by me against a Patent issuing from the
Commonwealth to Robert McLaren, Jr. for a tract of land in
Centre Township as he and I have settled the matter in dispute and
he has purchased my claim.

The survey of McLaren notes off about 3 acres from Wiggins at the
stone corner, near Wiggins dam, of the land sold by you to John Davis.
