

*Allegheny County*

*Geo. Aston*

*201 Ac. G. All. Co.*

*The warrant does not describe the land included  
in this survey. It cannot therefore be accepted  
S. G.*

*This survey the Surveyor General was directed to  
accept by a special act of Assembly but upon  
examining the files of the S. G. office it was found  
that another tract of land had already been  
returned for patenting upon the same warrant  
J. M. Cullouch.*
