

Courses of Down ye River  
 N° 2: E 231 Ps  
 N° 10: E 33 Ps

A Draught of a survey called "Bell-vair" situated on ye Ohio River in Alleghany County contains  
 ing 12.6 3/4 Ac. and ye usual Allow<sup>ce</sup> for Highways &c. executed ye 16<sup>th</sup> of August 1791 in Pursuance  
 of an Order for 300 Ac. No 618 granted to Tho<sup>s</sup> Smallman, dated Apl. ye 3<sup>d</sup> 1769.

Note, A survey was made on this same order on ye 21<sup>th</sup> June 1786 & ret<sup>d</sup> to ye Surv<sup>r</sup> Genl<sup>s</sup>  
 Office, of 305 Ac. & it is now altered agreeably to this Draught at the Instance of Hugh St.  
 Brackenridge Esq<sup>r</sup>. who is in part, or entire Proprietor of sd<sup>s</sup> Orders.

The following Remarks made upon the spot may probably assist in adjusting the Dispute  
 relative to this Survey.

The survey made on ye Order in ye name of Martin Caughman extends 454 Ps on ye River, and we be-  
 lieve is nearly all Bottom, the average width of the Bottom is 140 Ps.

The survey made agreeably to the above Draught extends 264 Ps on the River, does not include more than  
 60 Ac. of Bottom, whose average Width does not exceed 40 Ps being only 18 Ps wide at ye upper End.

The survey next below Martin Caughman's on ye River extends along the Bank 364 Ps. and we believe is  
 nearly all Bottom.

Danl<sup>d</sup> Bnothead Esq<sup>r</sup>. Surv<sup>r</sup> Genl<sup>s</sup>

IN TESTIMONY that the above is a copy of the original remaining on file in the  
 Department of Internal Affairs of Pennsylvania, made con-  
 formably to an Act of Assembly approved the 16th day of  
 February, 1833, I have hereunto set my Hand and caused  
 the Seal of said Department to be affixed at Harrisburg, this

fourth day of March 1895.

Geo. P. Brown  
 Secretary of Internal Affairs.
