March 1. 1870 James M. Chapman County Surveyor

Note: It is proper that I should state that the owners of the "Steam Saw Mill" Property claim that their purchase in the Warrant names of Catherine Crawford & Abraham & Adam Shrack extends westward to the well known "Kirby & Law" line. But from the search & investigation I have thus far made I think they only extend to the old township line. I have withheld this information since the 19<sup>th</sup> ult. in hopes of learning something more definitely, but as it is about 6 months since the Warrant was rec<sup>d</sup>. I send it without further delay - but may ask if I should find evidence that they extend further west to offer an amended Return hereafter. With due Respect - James W. Chapman
