John Johnston's 2 Warr^{ts} 1 of 30 Nov. 1766 the other of 6 Nov. 1771 appears to have been laid on the whole bounds above without designating the one from the other. Benjamin Junkins and Adam Junkins holders under Johnston made a division as appears along the South side of of the run which I have adopted as the division between said warrants laying the 1st one South of the run as it calls for; and the last one adjoining it as it requires. Appearing as agreeable to the terms of said warrants as any that could be fix^d on - unless the Board otherwise direct.

G. Monroe, D. S.

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this

twenty-sixth day of July, 1905
