

October the 18. 1684.

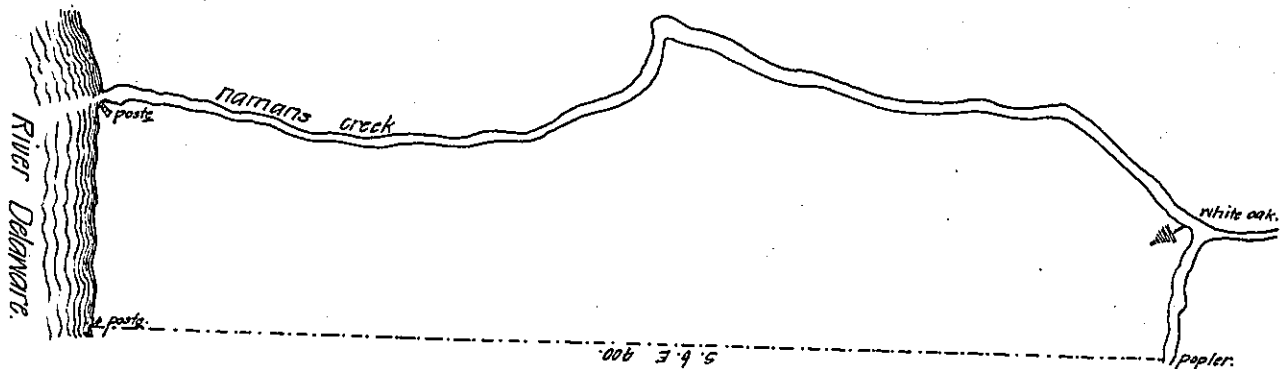

Surveyed for Ralph Fretwell one tract of land containing 200  
acres lying on the east side of Narrans creek beginning at  
the mouth of the sd creek and from thence running up  
the sd creek on severall courses to a marked white oak standing  
by the creekside from thence running along and up a branch  
of the sd creek on severall courses to a marked poplar and from  
thence S. b. E. by a line of marked trees 900 perts. to a marked  
stump standing by the riverside and from thence down the  
river side to the first merchantted boards of an mouth of  
Narrans creek.
