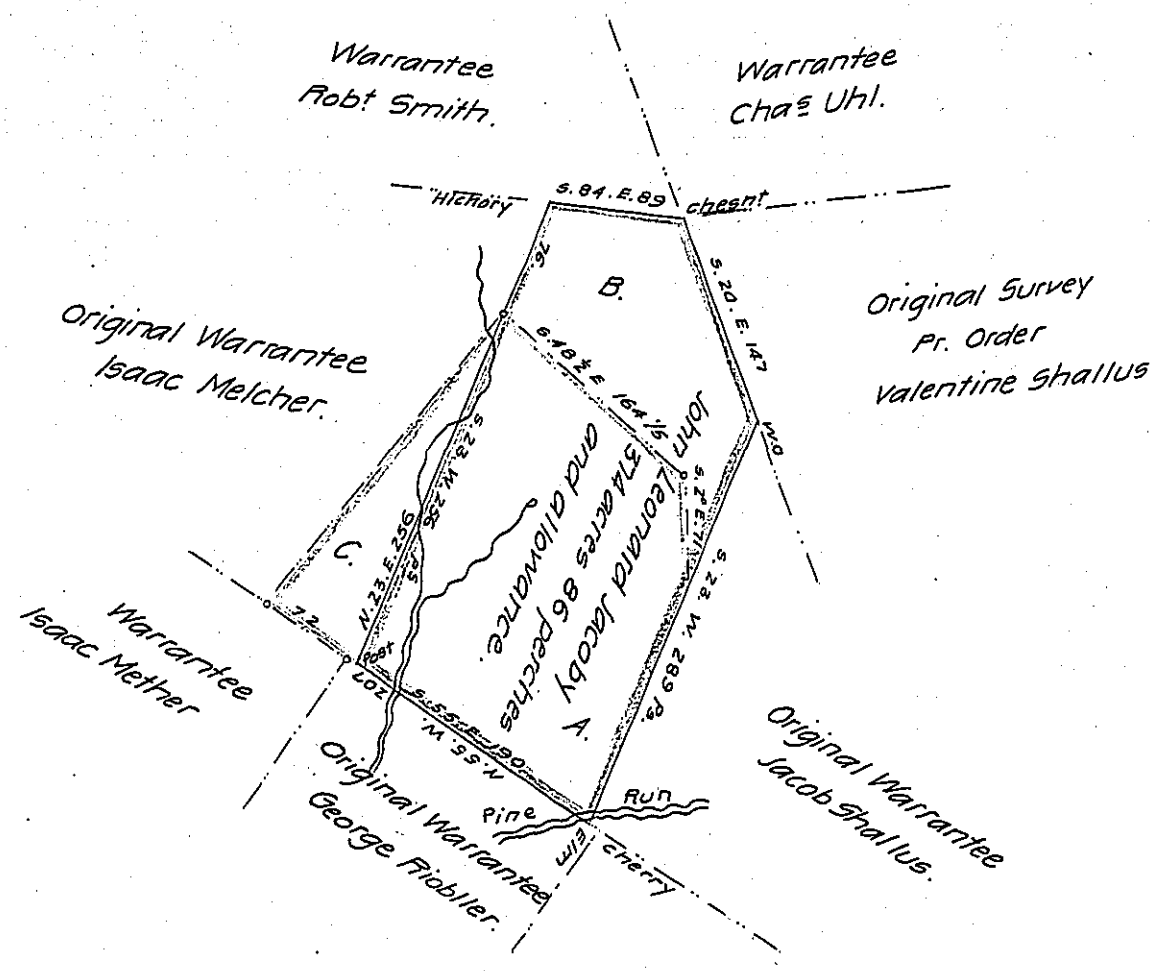
FORM No. 3.



In pursuance of a Contract made with the Board of Property dated the 19th of Octbr 1827 I have examined some of the lines of the survey represented by the red or pink coulered ones of the preceeding diagram, and agreeably to the papers in this Office, it is the same survey which was made to John Leonard Jacoby on the 25th of Sept.r 1776 in pursuance of a Warrant granted to the same dated the 7th of March 1775, and by indorsment on the backt of the same is one of the Surveys of J. Vanderen and this tract of land is situate in Wittanning township Armstrong County, bounded by other lands as represented by the Diagram, and contains three hundred and seventy four acres, eighty six perches and the allowance of six Pr. Ct &c. But the same tract of land was afterwards taken under two different warrant viz: The part of which the boundaries are represented by the figure including the letter A was surveyed to Samuel and James Hall on the 11th of Octob.r 1800 in pursuance of a Warrant of Sept 4th, 1789 and that of the figure including the letter B was surveyed to Michael Shall on the 23d of Oct.r 1802 by Warr.t of the 22d of June 1802 who are in possession of the land and claim the same by the better titles

Jacob Spangler Esquire Surveyor General — Robert Richards D.S.

P.S. The figure of the preceeding Diagram represents a part of the survey of Sam.l and James Hall which is also a part of Isaac Melcher R.R. — N.B. That part of the survey of John Leonard Jacoby of which the situation &c. is represented by the figure including the letter B. contains 110 acres, 156 perches and the allowance of six Pr. Ct. &c. R.R. D.S.
