To John Lukens Esq. S. G.
of Pennsylvania.

The above survey is on the North side of Penns. Creek, I have no Doubt of its being the very place survey'd By Coll. Armstrong, and intended By the Warrant. The Warrant is now directed, desiring me to be very careful of following the old Lines I do not desire to be wanting in Compliance with any Direction, as a Resurvey is different from making a new one I have comply'd with this, But must leave it with you to Judge whether the Survey be accepted or no.
