

The following note was found inclosed in the within draft.

I do Certify that I have examined the Patent draught and title Papers belonging to David Meyers, of Franklin Township in the County of York, and find that the Course in the Patent bearing South Eleven degrees West ninetyeight Perches to a Poplar. ~~Should be~~ Should bear South Eleven degrees East, and that the word West has been inserted through Error either in the Return of Survey or Patent.

In testimony whereof I have hereunto set my hand the 16th day of June Anno Domini 1817.
