

A draught of a tract of land situate in Hopewell township York County surveyed the 7th of the 8th mo 1767 for David Robison in pursuance of his application N^o 3895 for 200^o dated June 18th 1767 improved 6 years

N.B. The reason why I took in more land than what the application was for, is the consentable lines all round and I apprehend it would be of no use to leave it vac^t but a manifest injury to the proprietaries

In regard to the circumstances mentioned by the surveyor I think its for the interest of the prop^{ies} to accept the survey
