 all who may Concern
 These may Certify, ^{I the Subscriber do certify that} that I have made a Carfull Serch
 in my office Respecting the Land said to belong to Dr. Danl
Cox. Sr. Mathias Vincent & Major Robert Thompson in Chester, & paid
that I have diligently searched the papers in my Office & do not
find any thing there to impeach the Right of Robert Thompson heirs
or Representatives to 10,000 acres of Land in Chester County his
equal Share of 30,000 acres surveyed originally to him
Doctor Cox & Sr Mathias Vincent in Company. That the sd.
Quantity of 10,000 acres has been granted & patented to Joseph
Pike in Right of Sr Mathias Vincent and a Warrant of Resurvey
was granted in 1774 for the like Quantity to the West Jersey
Society in Right of Doctor Cox That the Right to the Quantity
was never disputed by the late Proprietaries but on the
other Hand admitted & acknowledged in their proceedings.
That in the several surveys in my Office the Tract layd for 30,000
acres & the sd Partners were to hold equally. I do also certify that
I have seen the original Deed from William Penn to Doctor
Cox in the same terms & with the same Razun as in that
to Thompson on the Word ten but that no Objection was ever
made on that account on the trial between the West Jersey
society in Right of Dr Cox & the Proprietaries but a Recov-
ery was had for 10,000 acres & a Warrant of Resurvey issued
accordingly

Given under my Hand at Philad.
