Situated on the Turkey foot road & waters of Pound Lick Run in Milford Township, Bedford County, and surveyed the 26th day of May, 1788 at the particular request of the said Tedrow in order to satisfy a warrant granted him the 30th Day of March, 1787 for 100 Acres of Land adjoining Loughiageni on the north, Hugh Nichols on the East, James Claypool on the South & George Brooks on the West. But it appearing that executing said warrant on that Land would be attended with Difficulties and perhaps disputes, which the owner wishes to avoid by taking the above land; & his so doing doth not interfere with the claim of any other person in my opinion.
