

It tells all that I wish to say
in relation to the English Society
and the various other societies
connected with the cause of
the oppressed in India and
Africa. It is a very interesting
and useful volume, and I
trust will be read with
interest by all who are
interested in the cause of
humanity. It is published
by the American Society for
the Propagation of the
Gospel in Foreign Parts,
No. 111, Nassau Street,
New York.

I make from the New Government
of the United States, and to give
it to the people of the United States
in the most judicious manner
possible. It is a very
interesting and useful volume,
and I trust will be read
with interest by all who
are interested in the cause
of humanity. It is published
