

I certify to the truth of my knowledge,  
that the bearer James Doylarty was a private  
soldier in Captain Banteloni's Company in the  
Regiment under my command, or James O'Rand,  
State of South Carolina, and that he served to the end  
the war, and is justly entitled to land from Congress.

To the Comptroller General

W. D. D. D. D.

October 25th 1808.
