

Dear Sir,

Easton Aug 27th 1787

The Beazer wants to draw for his share of the Donation Lands, and being now on his way to Pittsburgh, I would take it kind if you'd be so good as dispatch him as soon as possible - He did not think the time was so near expired or he would have been drawn sooner - Compliments to all friends I am D^r your Obed^t Serv^t

Penna land drawn Rob^t Trail

Humble^t
Samuel Dean Esq^r

July 14 1787 by order
of
Rich^d Francis

to
Andrew Myers

Donation Land
