Mr. Hall will be so obliging as to inform me whether Hugh's Mr. Sherry's name is inserted in the list of persons entitled to Donation Land, and whether claimed by any persons within the time limited by law - the information is necessary to enable Mr. Dallas to draft a petition to the Legislature in favor of Mr. Sherry if found without the limitation, at the request of Captain Campbell of the Army

I cannot find the name of Hugh Sherry in the Book but find that of Hugh M. & Co. claimed by John Richardson of Mr. Sherrill
