

To all whom it may concern. This is to certify that Henry James  
was enlisted a Soldier in Capt. John Brady's Company  
of the 12th Pennsylvania Regt. then under my command  
and marched out from Northumberland County with said  
Regt. into the Service against the enemy and that some time  
in the year 1777 he was sent to the Hospital and there  
died. Given under my hand at Northumberland Town this
