

Regency of Rachel  
as female owner  
Childs the property  
of William Goe

Mr Goe being an infirm  
old man unable to  
appear before the  
Clerk to make the  
required oath I had  
intended to have  
gone to his house  
to take the oath  
in due form in  
order to fulfil the  
very letter of the  
Law but was  
disappointed - this  
is the reason why  
referred in the Deed that a  
not in its proper place  
have a delay for  
that purpose  
It is respectfully admitted  
as substantially equal
