

W2-c. 3. COLLECTORS' and SUPERVISORS REPORTS, 1834, 1836, 1837

Here are indexed the names of toll collectors and supervisors on the several divisions of The Pennsylvania Canal, with their reports on the amounts of toll collected, the sort of merchandise handled at canal ports, or on the cost of repairs and improvements made or required.

W2-c. 4. COLLECTORS' and SUPERVISORS' REPORTS, 1838-1839

Here, in addition to customary collectors' and supervisors' reports, are records of lettings for contracts and recommendations of such engineers as Wm. K. Huffnagle, Wm. B. Foster, Jr., and Wm. E. Morris for work to be done on the several canals and railroads of The Pennsylvania Canal System.

W2-c. 5. COLLECTORS' and SUPERVISORS' REPORTS, 1838, 1840, 1841

Among supervisors indexed are M. C. Clarkson, Gettysburg Extension Railroad; Joseph Collins, Columbia and Philadelphia Railroad; Joshua B. Calvin, Delaware Division; Daniel Y. Harman, Delaware Division; D. N. Kownover, North Branch Division; J. B. Lyon, Eastern Division; John C. McAllister, Eastern and Juniata Divisions; Thomas O'Bryan and W. Price, Juniata Division; John Reynolds, Erie Extension Canal; John Snyder, Susquehanna Division; John Shiner, North Branch Division; Thomas Tustin, Columbia and Philadelphia Railroad; David Watson, Western Division; and David Woods, Juniata Division.

W2-c. 6. COLLECTORS' and SUPERVISORS' REPORTS, 1841-45, Vol. 1

Here are far more of supervisors' than of toll collectors' reports. Among supervisors indexed are Thomas Bennett, North Branch; David Connor, Delaware Division; John Dougherty, Allegheny Portage Railroad;
