

Supervisors Joshua B. Calvin and David Connor, Delaware Division; James Cameron, Columbia and Philadelphia Railroad; D. Y. Harman, Delaware Division; Samuel Kerr, Beaver Division; Joseph Mosher, Columbia and Philadelphia Railroad; J. B. Curtis, Shenango Line, Erie Extension Canal; and John Snodgrass, Allegheny Portage Railroad.

W2-c. 17. MISCELLANEOUS REPORTS

This volume, which is miscellaneous in content, ranges over years from 1827 to 1841. Among its contents are letters or reports by such various figures as Engineers James Ferguson and Edw. F. Gay; Samuel Hazard of Hazard's Register; Samuel Kerr, Erie Extension Canal; Thomas G. Kennedy, Delaware Division; Acting Commissioner Charles Mowry; Canal Board Secretary Joseph McIlvaine; Engineer Francis W. Rawle; Canal Commissioner David Scott; Josiah White, Delaware Division; and Engineer William Wilson, reporting on his exploration of Allegheny Mountain in 1827.

W2-c. 18. MISCELLANEOUS PAPERS

Miscellaneous and of great range in dates, this volume contains, among other items, letters and reports from Engineers Hother Hage, William K. Huffnagle, and Charles L. Schlatter (reporting on his surveys for the proposed Harrisburg and Pittsburg Railroad); James D. Harris, Engineer; John Edgar Thomson, President of the (company-owned) Pennsylvania Railroad, 1855; Engineer A. B. Warford; and Josiah White, here both a board member of the Lehigh Coal and Navigation Company and an engineer on the Delaware Division Canal.
