Lancaster March 30th 1803

I do certify that Mrs Catharine Blake was formerly the wife of a certain William Gordon a Soldier in my company who I understood to have enlisted for during the war died at Ashley Hill in South Carolina (being then absent myself from the Regt. at Georgetown where I lay sick five months) I believe Mrs Blake late Mrs Gordon to be justly entitled to any emoluments that said Wm Gordon might have been entitled to she now living

Jn. O'Neile
"

I further Certify that I never understood that the above named Wm Gordon and Catharine his wife had any children
