

94- 97. The names of property-holders signing releases from Allegheny County through Beaver, Lawrence, Mercer, Crawford, and Erie counties. (In convenient table form, as it were for the year 1829)

W2-g. 17. ERIE EXTENSION CANAL

This packet, containing Compass Books A and B of D. B. Douglass's survey in 1827 of the "N. W. Section of the Pennsylvania Canal (Conneaut Lake to Presque Isle Bay)," has been transferred to the French Creek Division records. See W2-h, 9a, 2 and Map Book 1, v.

W2-g. 18. ERIE EXTENSION CANAL

This packet contains a statement of Superintendent John Mitchell, 10 February 1843, to Auditor General Wm. F. Packer, on payments, interest owed, etc. to contractors.

W2-g. 19. ERIE EXTENSION CANAL - Shenango Line
Contracts: Lock houses,
waste weirs,
etc.

This title should have been extended to include contracts for supplying laborers, mechanics, and materials.

The contracts are signed with Superintendents John Reynolds and Joel B. Curtis, commonly in 1837 or 1839.

1- 32. Contracts, with printed specifications,
for lock houses.
