1. The first part of the report is a
summary of the work done during the
last year. It is a very good summary
and gives a clear picture of the
work done. It is a very good
summary and gives a clear picture of
the work done.

2. The second part of the report is a
description of the work done during the
last year. It is a very good description
and gives a clear picture of the work
done. It is a very good description
and gives a clear picture of the work
done.
