

The above is a Draught of a Tract of Land situate in Rockhill township Bucks County Containing 180 Acres & Allowance of six P.C. for Roads, being one of several Tracts which were Survey'd to Deitrich Welker on a General Grant from the late Proprietaries in the year 1751; And Resurvey'd to him in pursuance of a Renewal of said General Grant on the 11th of June 1768; Laid down Agreeable to the Original Courses and Distances, Magnetic Variation five Degrees, Accertain'd to be Correct, having reference to the Surveys of the Adjoining Tracts.

Having Carefully Examined & Compared the Several Draughts made from W^m Armstrong's Division of Dieterich Weiters original Survey of 780 Acres & allowance, in Rockhill Township, Bucks County, it appears clear to me that the above Draught is a True Survey of the same.
