

At a special Meeting at the Governors on Friday the 1st of May 1767.
present.

The Governor. The Secretary Mr Tilghman

The Receiver General Mr. Hackley.

Upon the Representation of the Surveyor General that great numbers
of surveys have been returned both on warrants & Applications ex-
ceeding the Quantities mentioned in the warrants or applications and
the 10 p Cent. allowed the Surveyors to exceed and that at this time to cut
off the excesses of those surveys would in a manner put a stop to the
Business of the whole Province and it appearing that the Surveyors
have certified that in many cases these excesses of quantity are to the
advantage and interest of the Proprietaries as they include land which
by itself would probably never be taken up from its Barrenness The Governor
is pleased to order that as to what is past the Surveyor General receive
the returns of the surveys though they shoud exceed the quantities men-
tioned in the warrants or Applications & the 10 p cent. But ^{that} for the future
he strictly charge his Deputy's that they shall not ^{on} any pretence return more
than the quantity with the usual allowance for roads and the 10 p cent
upon pain of being obliged at their own expence to rectify any surveys
they shall return with such excess of quantity.
