The Governor desires me to refer to you a Warranty of Claims, which have
been exhibited for Donation Lands under assignments from the persons originally in-
- vited. It appears that several Warranties for the same State, and other War-
- ranties have been given a strict investigation of the documents of the persons
- as the Governor requests that you will take the same into consideration and
- report to him, what claims are just and what are doubtful or inadmissible.

Yours
J. S. Dallas
