

Albany County Jo

Personally appeared before me One of the Justices  
of the Peace in and for the County afo. Adjutant  
Colon Crawford of the 8th Tenn. Regt. Who being  
sworn as the Law directs he deposed and stated  
that James Maxwell was a Private Soldier and  
served during the War and was in the Company of  
Capt. John Clark or Capt. John Shirley to the best  
of my memory but confident I am that the afo.  
Maxwell served in the 8th Tenn. Regt. and was  
Discharged at the close of the War all this I testify  
according to the best of my knowledge

Given and subscribed before me
