

Lancaster April 6th 1802

Sir

I find the name of Hugh M. Ellway
in the list of persons entitled to Donation Land, but no number
has been drawn against his name - the Bearer calls himself
Hugh M. Ellway, and it will appear from the en-
closed papers that his application has been filed in due time,
it remains for him to shew that he is the same person.
An application was also filed by the late John Ni-
cholson deceased in right of the said M. Ellway in October
1795.

I am Sir with much respect

Your friend

James Trimble

To Andrew Elliott Esq
Secy of the Land Office
