

State of New York

Be it known that on the Sixth day of November Anno Domini One thousand seven hundred and ninety four before me Jasper Hopper a Public Notary in and for the State aforesaid residing in the City of New York came Evanster Childs

of the said City who being duly sworn deposed and saith that on the twenty second day of March last he was present and subscribed his name as a Witness to a Power of Attorney from George Hansell to William Bachelor of Philadelphia to receive his Continental Land Warrant and the Lands due to him from the Commonwealth of Pennsylvania which power was left in the War Office of the United States at the time of receiving the said Warrant, of which power the annexed is a true Copy taken by Peter Schra Esquire Notary Public. And this deponent further saith that he has been acquainted with George Hansell aforesaid several years, that he always knew him by that name and no other, that he received Pension by that name; which Pension he is entitled to in consequence of Wounds, he received while in the Pennsylvania Line in the Service of the United States as appears by a Certificate given by Richard Varick Mayor of New York who was appointed a Commissioner to examine Invalids in the Year One thousand seven hundred and eighty six; which Certificate was in the possession of said George Hansell at the time of executing the above mentioned Power of Attorney and further saith not.

Sworn before me
the date aforesaid.
