

York County in the commonwealth of Pennsylvania

Before me the subscriber one of the Justices of the Peace for said County personally appeared John Brown of the Borough of York in the County aforesaid, a white man aged about fifty years, who on his solemn Oath, taken according to Law doth say that he was well acquainted and knew a certain Moses McCurdy, who was a private soldier in Capt. Hopper's Company then commanded by Capt. Thomas Hubble, that he was enlisted for and during the War, that some time afterwards Colonel Hubble took the command of the said Regiment, which being called the eleventh Regiment or Congress Guard or Regiment that when Colonel Hubble took the command the said Moses McCurdy was made a Corporal, that some time afterwards - deponent cannot ascertain the time, an Engagement took place, with the said Regiment, and the Indians, at a place called Shermong, when and where the said Moses McCurdy was killed in Battle, and who was then a Corporal, further this deponent faith not
