

Supervisor's Dist: No. 6

Enumeration Dist: No. 55

NOTE A.—The light dotted perpendicular lines, which divide the spaces intended for numbers on this Schedule, are intended to separate the units, tens, &c., from each other, and the Enumerator should be careful that the figures are written within the small spaces so formed, thus: 

|   |   |
|---|---|
| 7 | 4 |
| 4 | 2 |
| 2 | 0 |

 the units in the right-hand small spaces.

NOTE B.—Make an affirmative entry by a slanting line (thus /) in one of the three columns 2, 3, and 4, according as the fact is in the case of each farm—in column 2, if the occupier is the owner of the farm; in column 3, if he is the tenant at a fixed money rental; in column 4, if he conducts it for a share of the product.

NOTE C.—Enumerators will observe that there are 100 questions relating to each farm, which are arranged in four successive divisions of each schedule page.

SCHEDULE 2.—Productions of Agriculture in Jackson in the County of Laramie, State of Wyo.  
enumerated by me on the 22<sup>nd</sup> day of June, 1880. H. H. McPherson

## Enumerator

| BEEES—1879. |      | FOREST PRODUCTS.            |                                                        |
|-------------|------|-----------------------------|--------------------------------------------------------|
| Honey.      | Wax. | Amount of wood cut in 1879. | Value of all forest products sold or consumed in 1879. |
| Lbs.        | Lbs. | Cords.                      | Dollars.                                               |
| 97          | 98   | 99                          | 100                                                    |
|             |      | 20                          | 2.5                                                    |
|             |      | 20                          | 2.0                                                    |
|             |      | 15                          | 2.0                                                    |
|             |      | 20                          | 2.5                                                    |
|             |      | 20                          | 2.5                                                    |

| OF THE PERSON WHO CONDUCTS THIS FARM. |               |             |        | ACRES OF LAND. |                               |                              |              | FARM VALUES.                                                                 |                                                             |                                                 | FENCES.                              | LABOR.                                                         |                                         |                                        |                                                                             | GRASS LANDS.                                                          |                                                                                |                      |                                                            |                             |           |                                |              |               |                                          |                                                  |            |                             |            |                                                        |                 |        |            |  |                  |             |  |

| 10                                    |               | 1           | 240    |                |                               |                              |              | 4                                                                            | 100                                                         | 50                                              |                                      |                                                                |                                         | 15                                     |                                                                             |                                                                       |                                                                                |                      |                                                            |                             |           |                                |              |               |                                          |                                                  |            |                             |            |                                                        |                 |        |            |  |                  |             |  |

NOTE A.—The light dotted perpendicular lines, which divide the spaces intended for numbers on this Schedule, are intended to separate the units, tens, &c., from each other, and the Enumerator should be careful that the figures are written within the small spaces so formed, thus: 

|   |   |   |
|---|---|---|
| 7 | 4 | 1 |
|---|---|---|

, the units

NOTE B.—Make an affirmative entry by a slanting line (thus /) in one of the three columns 2, 3, and 4, according as the fact is in the case of each farm—in column 2, if the occupier is the owner of the farm; in column 3, if he is the tenant at a fixed money rental; in column 4, if he conducts it for a share of the product.

NOTE C.—Enumerators will observe that there are 100 questions relating to each farm, which are arranged in four successive divisions of each schedule page.

1990

The Beel & logs are put separately as they  
are counted at the turner's & sawmill  
& not included in estimating value of  
farm products

Enumeration Dist: No.

NOTE B.—Make an affirmative entry by a slanting line (thus /) in one of the three columns 2, 3, and 4, according as the fact is in the case of each farm—in column 2, if the occupier is the owner of the farm; in column 3, if he is the tenant at a fixed money rental; in column 4, if he conducts it for a share of the product.

NOTE C.—Enumerators will observe that there are 100 questions relating to each farm, which are arranged in four successive divisions of each schedule page.

Page No. 13

Supervisor's Dist. No. 6

Enumeration Dist. No. 55

NOTE A.—The light dotted perpendicular lines, which divide the spaces intended for numbers on this Schedule, are intended to separate the units, tens, &c., from each other, and the Enumerator should be careful that the figures are written in the small spaces so formed, thus: 741, the units in the right-hand small spaces.

NOTE B.—Make an affirmative entry by a slanting line (thus /) in one of the three columns 2, 3, and 4, according as the fact is in the case of each farm—in column 2, if the occupier is the owner of the farm; in column 3, if he is the tenant at a fixed money rental; in column 4, if he conducts it for a share of the product.

NOTE C.—Enumerators will observe that there are 100 questions relating to each farm, which are arranged in four successive divisions of each schedule page.

SCHEDULE 2.—Productions of Agriculture in Jackson in the County of Lecompton, State of Penna.

enumerated by me on the 25 day of June, 1880.

Enumerator.

| GRASS LANDS.                |              |             |                                          |                                                |

[7-306.]

Page No. 14

Supervisor's Dist. No. 4

Enumeration Dist. No. 55

NOTE A.—The light dotted perpendicular lines, which divide the spaces intended for numbers on this Schedule, are intended to separate the units, tens, &c., from each other, and the Enumerator should be careful that the figures are written within the small spaces so formed, thus:

7 4 1  
4 2 1  
3 9

NOTE B.—Make an affirmative entry by a slanting line (thus /) in one of the three columns 2, 3, and 4, according as the fact is in the case of each farm—in column 2, if the occupier is the owner of the farm; in column 3, if he is the tenant at a fixed money rental; in column 4, if he conducts it for a share of the product.

NOTE C.—Enumerators will observe that there are 100 questions relating to each farm, which are arranged in four successive divisions of each schedule page.

SCHEDULE 2.—Productions of Agriculture in Jackson Twp in the County of Livingston, State of Pa.  
enumerated by me on the 25th day of June, 1880.

R. H. McCall  
Enumerator.

| OF THE PERSON WHO CONDUCTS THIS FARM.                          |         |                               |                              | ACRES OF LAND. |     |             |     | FARM VALUES.                                    |                                      |                |                                         | FENCES.                                |                                                                             |                                                                       |                                                                             | LABOR.        |          |                             |          | GRASS LANDS. |          |        |        |       |          |          |     |
